OF THE FUTURE?*

**INTRODUCING
DAVID HULSE...**

Guided by intuitive wisdom, and coupled with over forty years as an inspirational Speaker, Minister and Teacher, David offers an enlightened understanding of what it means to be self-empowered.

After listening to a tape by Deepak Chopra, and then experiencing a "cellular awakening," he shed the cloak of fundamentalist dogma for the naked revelation of co-creative partnership with the power within.

Today, his empowering message is timely, as he blends the dynamics of Scripture, "A Course In Miracles", the far-reaches of quantum physics, and sound into a workable philosophy for this time of transformation!

Rev. David Hulse is bringing good news to the world. From the deep and vibrant root of fundamental faith he is growing a new branch that can carry humanity forward to the very threshold of the Tree of Life. He is originating a "new fundamentalism" that combines creation and evolution, as humanity matures from child to heir, joint heir with Christ. David has extensive knowledge of the Bible and its metaphysical meaning, as well as an interest in the latest scientific research about changes happening on the earth. He blends all these interests together with his deep connection to Spirit to help his audience understand what is happening to us in these interesting times... After David's weekend here many people reported that they felt profound changes within themselves. It is impossible to describe David; you have to experience him, and that experience is always an adventure.

THE FUTURE OF HUMANITY AND THE PLANET...

I view humanity's present crisis as birthing pains—an evolutionary drive—that is pushing us toward a brand new quality of human life. That quality includes an enlightened, evolved consciousness.

I teach that **we are on the threshold of planetary transformation, a "rebirthing"**, which will move us from a limited, homo-sapien experience to the full-potential, unlimited, universal, status. **Moreover, a major aspect of that transformation is through frequency and sound.**

I propose that our future is a choice. We are being given the option, and power, to evolve—or destroy ourselves as a species. That power is in the hands of this generation. Living in the "NOW" brings responsibility for our future, and the choices we make today influence future possibilities. **Thru the understanding of SOUND that the Scriptures describe, and using the Christ as our "pattern" or "template", of what empowerment "looks like", we truly do have the ability to live rich, full, empowering lives—which can contribute to a positive future for all of humanity.**

The people who will really be able to affect what the future will be for this planet are those who are living in the present, and who have empowered themselves.

IGNITING OUR INNER POTENTIAL WITH SELF EMPOWERMENT

Self-Empowerment, from my perspective, is the recognition that each individual must take responsibility for one's life. Power, in a cultural context, usually implies something exerted on us from outside.

Power comes from the Greek word "dunamis" - to be able or possible. In other words—possibility thinking. Think of dynamite - to explode. Empowerment is igniting our inner potential.

"EMPOWERMENT IS THE INNER AWARENESS THAT THINKING FOR ONESELF BRINGS ONE INTO A FREEDOM TO EXPLORE THE CREATIVE ARCHETYPES OF OUR FORGOTTEN STORY."

THE ANCIENT SOLFEGGIO FREQUENCIES

These original sound frequencies were apparently used in **Ancient Gregorian Chants**, such as the great hymn to **St. John the Baptist**, along with others that church authorities say were lost centuries ago. The chants and their special tones were believed to impart tremendous spiritual blessings when sung in harmony during religious masses. These powerful frequencies were rediscovered by **Dr. Joseph Puleo** in Dr. Leonard Horowitz's book Healing Codes for the Biological Apocalypse.

The Six Solfeggio Frequencies include:

UT – 396 Hz – Liberating Guilt and Fear
RE – 417 Hz – Undoing Situations and Facilitating Change
MI – 528 Hz – Transformation and Miracles (DNA Repair)
FA – 639 Hz – Connecting/Relationships
SOL – 741 Hz – Expression/Solutions
LA – 852 Hz – Awakening Intuition

For example, **the third note, frequency 528**, relates to the note MI on the scale and derives from the phrase "MI-ra gestorum" in Latin meaning "**miracle.**" Stunningly, this is the **exact frequency used by genetic biochemists to repair broken DNA** – the genetic blueprint upon which life is based!

WHO IS DAVID HULSE?

AWAKENING HUMANITY

Throughout his years of spiritual searching, David has challenged many traditional doctrines, theologies and dogmas. He has inspired numerous individuals toward a journey of self-discovery by sharing his own journey—a journey, which took him from his fundamentalist up-bringing (and his beginning ministry at age 16) to a New Thought perspective in preparation for the New Millennium. Confronting the challenge of his childhood beliefs, David wrestled with the emptiness from loss, leaving him angry and anxious about his future ministry.

In the summer of 1988, he was given a tape by **Dr. Deepak Chopra** about quantum physics. It revealed that what was once perceived as empty space in the human cell is actually a unified field of potential intelligence.

This information resulted in an experience in what David now refers to as a “cellular awakening.” At the same time, he was also introduced to **A COURSE IN MIRACLES**.

At the turn of the century, **this unique background served as the catalyst for David’s accelerating interest and research into the lost frequencies of the Ancient Solfeggio Scale**. These ancient sound frequencies were apparently used in Ancient Gregorian Chants, that church authorities say were lost centuries ago. The chants, and their special tones were believed to impart tremendous spiritual blessings, when sung. David’s further research then led him into the dynamics of Sound, and its influence on manifestation (“In the Beginning, was the Word (Sound), and the Word was made manifest”. The Bible). As a result, he felt led to develop tuning forks that are tuned to the frequencies of the **Ancient Solfeggio Scale**.

Today, David believes that these Ancient, Sacred Tones (that he is helping facilitate back into use) actually serve as a “vibrational bridge” to holistically re-integrate the physical, mental, emotional and spiritual aspects of the individual, as well as all of Humanity—collectively. Thus, his ministry now also includes Tuning Fork seminars and workshops.

With over 40 years experience as an acclaimed Minister, Teacher, and Author, David is renowned in the world of New Thought as a “Cultural Creative”. His diverse background allows David to speak on a wide range of topics. By using the deep metaphysical meanings found in the scriptures, the psychology of ACIM, and exploring the enlightened discoveries coming from new science about Light and Sound (and which is actually several thousand years old), David’s presentations incorporate science, psychology and world religions in a unique combination that is easy to understand. This uniqueness **allows him to reach diverse audiences seeking a path of enlightenment**.
